WORK EXPERIENCE

International Organization of La Francophonie (OIF)	Paris, France
Intern, Project Design and Monitoring	Sep 2025–present
• Compiled, organized, and analyzed data from 20 development projects across 90 Francophone member states, identifying key trends to guide 3 strategic programming and policy priorities.	
• Designed and maintained a Power BI and Excel-based monitoring database tracking 10+ performance indicators, enhancing data accuracy.	
• Prepared 54 country briefs on multilateral cooperation, providing evidence-based insights on geopolitical and sectoral dynamics for senior decision-makers.	
• Supported monitoring and evaluation of projects and contributed to drafting the 2025 Implementation Report, integrating findings from 20 programs to assess progress toward OIF's strategic objectives.	
AQLITY Humanitarian Innovation	Dublin, Ireland
Data Analyst	Jul 2025–Oct 2025
• Completed 170 hours of training in humanitarian data management and analysis, consolidating advanced skills in monitoring, visualization, and synthesis applied to strategic humanitarian projects	
• Conducted in-depth data analysis and systematic data cleaning on humanitarian databases covering 50+ settlements across Ukraine, ensuring data accuracy and consistency that improved the reliability of reporting and program decision-making.	
• Produced 10+ geospatial maps and 12 analytical reports using Mapbox and Excel, highlighting key trends in displacement, shelter, security, and infrastructure across affected regions.	
• Designed visual communication materials, including charts, infographics, and presentation decks in Adobe Suite, that transformed complex datasets into accessible formats, enhancing the clarity and impact of project deliverables.	
ARDHIS	Paris, France
Immigration Law Assistant	Sep 2024–May 2025
• Provided personalized administrative support and step-by-step guidance to 200+ LGBT+ asylum seekers during 2–3 drop-in sessions per month, assisting with documentation, procedural questions, and orientation within the French asylum system.	
• Investigated legal, political and human rights research on the DRC, Cameroon, Senegal, and Côte d'Ivoire, authoring a 60+ page internal report with verified legal references to strengthen volunteers' understanding of country conditions and improve case preparation.	
• Produced concise case notes and background briefs to support applications and hearings before OFPRA and the CNDA.	
• Developed interviewing and active listening skills to record and convey personal narratives with sensitivity and accuracy.	
Royal Scientific Society	Amman, Jordan
Intern, Partnerships and Development Department	Jun 2023–Aug 2023
• Co-authored a 10-page policy paper published by the Konrad Adenauer Stiftung on the environmental and socio-economic impacts of desalination, based on a literature review of 50+ sources and offering evidence-based recommendations for sustainable water governance.	
• Created a comprehensive mapping of 20+ science diplomacy initiatives in Jordan, showcasing linkages between research, policy, and international cooperation.	
• Gained direct exposure to science diplomacy, collaborating with researchers, policymakers, and international partners in a multidisciplinary environment, and observing how scientific evidence can inform and shape policy dialogue.
